[1] Put your average monthly salary/wage after taxes here.

[2] You want to try to account for all income.

[3] Fixed Expenses are unchangable, required monthly expences. For example condo fees, electricity.

[4] Variable Expenses are adjustable/optional monthly expences. For example: Restaurants, cell phones, sports fees, Gas money.

[5] Changed from 200/12 to 260/12

--Trevor.Jones.8 Wed Jul 20 2011 17:56:46 GMT-0600 (MDT)

[6] 300 deducted by linode hosting

--Trevor.Jones.8 Sun Feb 20 2011 11:42:17 GMT-0700 (Mountain Standard Time)

[7] List all debts you currently have and a monthly payment you can afford to put toward repayment each month. The total will be used as the maximum repayable amount on the "Debt" page.
